

# DRINKING WATER PROBLEM CORRECTED

Customers of Berwind Water System were notified on 01-22-24 of a problem with our  
(system) (date)

drinking water and were advised to boil water before use  
(recommended action)

We are pleased to report that the problem has been corrected and that it is no longer necessary to  
boil water before use in the Squire, Newhall, & Cucumber areas  
(recommended action)

We apologize for any inconvenience and thank you for your patience.

As always, you may contact Mavis Brewster at 304-299-2622  
(contact person) (phone)

or 21901 Rocket Boys Drive Welch, WV 24801 with any comments or questions.  
(mailing address)

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
