

**IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER  
MONITORING REQUIREMENTS NOT MET FOR**

**ASHLAND COMMUNITY, WV3302417**

We are required to monitor your drinking water on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. Between 1/1/2014 and 12/31/2019, we failed to submit the required samples as indicated below and therefore cannot be sure of the quality of our drinking water during that time.

**What should I do?**

There is nothing you need to do at this time.

The table below lists the required monitoring and the compliance period.

Required Monitoring	Compliance Period
03, MONITORING, ROUTINE MAJOR Radiological Sample Results Not Submitted	1/1/2014 to 12/31/2019

**What happened? What is being done?** (Describe corrective action)

The samples were pulled at the end of 2019. However, the sample results were not submitted within the required timeframe. They have since been submitted.
