

**IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER
MONITORING REQUIREMENTS NOT MET FOR**

MCDOWELL COUNTY PSD KIMBALL, WV3302431

We are required to monitor your drinking water on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. Between 1/1/2017 and 12/31/2019, we failed to submit the required samples as indicated below and therefore cannot be sure of the quality of our drinking water during that time.

What should I do?

There is nothing you need to do at this time.

The table below lists the required monitoring and the compliance period.

Required Monitoring	Compliance Period
03, MONITORING, ROUTINE MAJOR IOC Sample Results Not Submitted	1/1/2017 to 12/31/2019

What happened? What is being done? (Describe corrective action)

Samples were taken but the PWSID number was written incorrectly on one part of the Chain of Custody and on the Data Submittal cover sheet. As a result, the health department did not accept the sample. We are making every effort to ensure that sampling paperwork is completed correctly.
