IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER
FAILURE TO COMPLETE CORRECTIVE ACTIONS
MCDOWELL COUNTY PSD BERWIND, WV3302435

Our water system violated State drinking water requirement. Even though these were not emergencies, you, as our customers, have a right to know what happened and what we did to correct the situation (See table below).

An on-site evaluation of our system is conducted on a regular basis. Results of the evaluation show significant deficiencies in our water system which must be addressed to the Office of Environmental Health Services- District Office. We did not correct these deficiencies by the required date and are therefore in violation.

What should I do?

There is nothing you need to do at this time.

What happened? What is being done? (Describe corrective action)

We were able to secure funds to complete the necessary repairs needed at Berwind Plant. Project cost is $288,000.00 and is funded with a grant of $238,000 from WV DEP and $50,000 from McDowell County EDA. We received a Notice To Proceed From WV DEP effective 3-15-20. We will begin the upgrade as soon as possible. Construction should be completed by September 30, 2020.
