IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER
MONITORING REQUIREMENTS NOT MET FOR

MCDOWELL COUNTY PSD BARTLEY, WV3302434

We are required to monitor your drinking water on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. Between 10/1/2019 and 12/31/2019, we failed to submit the required samples as indicated below and therefore cannot be sure of the quality of our drinking water during that time.

What should I do?

There is nothing you need to do at this time.

The table below lists the required monitoring and the compliance period.

Required Monitoring	Compliance Period
27, MONITORING, ROUTINE (DBP), MAJOR Failure to monitor/report Haloacetic Acids (HAA5s) sampled inactive location	10/1/2019 to 12/31/2019

What happened? What is being done? (Describe corrective action)

Samples were collected on 11/21/19 with the result of 15.6ppb. The sample location was not given as a physical address, which resulted in the violation. Every effort is being made to pay attention to this detail for future sampling.

For more information, please contact Mavis Brewster (Contact name) at 304-297-2622 (Phone number)
or 21901 Rocket Boys Dr (Mailing address) Welch WV 24801

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER
FAILURE TO COMPLETE CORRECTIVE ACTIONS
MCDOWELL COUNTY PSD BARTLEY, WV3302434

Our water system violated State drinking water requirement. Even though these were not emergencies, you, as our customers, have a right to know what happened and what we did to correct the situation (See table below).

An on-site evaluation of our system is conducted on a regular basis. Results of the evaluation show significant deficiencies in our water system which must be addressed to the Office of Environmental Health Services- District Office. We did not correct these deficiencies by the required date and are therefore in violation.

What should I do?

There is nothing you need to do at this time.

Required Corrective Action	Corrective Action Required by:
Failure to correct significant deficiencies	December 31, 2019

What happened? What is being done? (Describe corrective action)

Significant deficiencies were not corrected to to funding issues. As soon as money is obtained deficiencies will be corrected.

For more information, please contact Mara Brewster (Contact Name) at 304-297-2622 (Phone Number)

or 2901 Rocket Boys Dr Welch WV 24801 (Mailing Address).

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
